

441—100.6(252B) Reports and records.

100.6(1) Reports. Designated providers established under these rules shall report to CSRU at least monthly, unless otherwise required by the project plan. These reports shall include, but not be limited to, the following:

- a.* Attendance documentation with the names of participants served.
- b.* Signed voluntary consent of participants seeking incentives.
- c.* Certification of participants completing the curriculum.
- d.* Other information as specified in the project plan.

100.6(2) Records retention. Designated providers shall retain all records as necessary to meet the requirements of these rules.
